

# CRIBBS Newsletter

**November 2024**

Sent on behalf of the Marshfield Clinic BBS Center of Excellence  
Leadership Team

Greetings,

The mission of the Center of Excellence for Bardet-Biedl Syndrome is to enrich the health and quality of life for individuals affected by BBS through compassionate interdisciplinary health care, scientific advancement and community outreach.

One of the members of the CRIBBS team is on extended leave and as a result we may be slow to respond to calls or emails. We appreciate your patience during this time and will respond as quickly as we can.

The BBS Foundation & Family Association recently kicked off a new campaign called the BBS 100K Challenge. The idea of the challenge is to lean into the fact that BBS affects about 1 in 100,000 people. So while we may not be 1 in a million, we're scientifically proven to be 1 in 100,000.

**We want to collectively go 100,000 miles to raise \$100,000 for the BBS community.**

The website to sign up or donate is here:  
<https://go.rallyup.com/bbs100kchallengehome/Campaign/Details>

The CRIBBS registry continues to grow and we are fast approaching 800 participants. Your continued support of CRIBBS and willingness to take part in annual interviews is leading to important discoveries about BBS. We are so grateful for your time. Hearing from you every year is very helpful, even if it feels like not a lot has changed.

Please join if you have not joined CRIBBS by signing up on our webpage at [www.bbs-registry.org](http://www.bbs-registry.org). We wish to give thanks to the BBS Foundation that has provided HUGE support to CRIBBS.

# Social Media and Community Connections

## **BBS Adults Facebook page**

This is a place for adults who have BBS. You can connect with others who have similar experiences, support each other and share your journey through life.

<https://www.facebook.com/groups/648889312653215>

## **BBS Family Cookbook**

The BBS Family Cookbook has lots of healthy and delicious recipes, collected from members of the BBS community. Try them, share them, and tell others about your favorites on the BBS Adults, Families of BBS, and Bardet Biedl Kitchen Facebook pages. Click below to download the BBS Family Cookbook.

**BBS Young Adult Support Group:** Saturday, November 2 at 7:00 pm Central Time

Facilitated by Jordan Smelley, the group meets the first Saturday of every month. This is a group for young adults, both men and women, ages 18 to 29. The purpose of the group is to provide young adults with BBS with a collaborative forum to share their experiences, ideas and resources with one another, as well as to create interpersonal connections. The atmosphere is informal, and topics vary. For more information contact Jordan Smelley at [jordan.smelley@gmail.com](mailto:jordan.smelley@gmail.com)

**BBS Parents Support Group:** Friday, November 22 at 7:00 pm Central Time

Please join us for the BBS parents support group. This group is facilitated by Maxie and David McGlohan and is geared toward parents of children with BBS from birth to age 18. But everyone is welcome to join in even if their loved one is older than 18. We will as always discuss any topics that parents wish to discuss. We welcome any newly diagnosed families to offer information and support. This group is a safe place where parents can discuss any and all issues. David Sr is a dentist and I'm a family nurse practitioner so we are very comfortable discussing dental and medical topics. We look forward to connecting with and supporting each other during these difficult times.

The group meets using the Marshfield Clinic Zoom site. For more information, contact Maxie at [2themax03@gmail.com](mailto:2themax03@gmail.com)

**BBS Book Night:** Friday, November 1, at 7:30 pm Central Time

Moderated by Ellyn Hunter. BBS book night meets the first Friday of every month at 7:30 pm Central Time. The book is always available from BARD, and usually from Audible, local libraries, and possibly Bookshare. The group uses the Zoom site for Marshfield Clinic. This month, we will be reading *The Briar Club*, by Kate Quinn. Description: Washington, DC, 1950. Everyone keeps to themselves at Briarwood House, a down-at-the-heels all-female boardinghouse in the heart of the nation's capital where secrets hide behind white picket fences. But when the lovely, mysterious widow Grace March moves into the attic room, she draws her oddball collection of neighbors into unlikely friendship: poised English beauty Fliss, whose facade of perfect wife and mother covers gaping inner wounds; policeman's daughter Nora, who finds herself entangled with a shadowy gangster; frustrated baseball star Beatrice, whose career has come to an end along with the women's baseball league of WWII; and poisonous, gung-ho Arlene, who has thrown herself into McCarthy's Red Scare. Grace's weekly attic-room dinner parties and window-brewed sun tea become a healing balm on all their lives, but she hides a terrible secret of her own. When a shocking act of violence tears the house apart, the Briar Club women must decide once and for all: who is the true enemy in their midst?

**BBS Sports Club:** Thursdays November 7, 14, and 21 and Wednesday November 27 at 5:30 pm Pacific Time.

Facilitated by Bob Stewart, the BBS Sports Club now boasts 12 very active weekly members who log into our Zoom meetings, held each Thursday, 5:30 PM, PST. New members are always welcomed. Our primary purpose is to have fun in a networking, upbeat, social way. Sports contests are held each week with sports memorabilia prizes.

BBS Sports Club meetings are via Zoom and ordinarily scheduled for Thursday except for holidays. Where a holiday falls on a Thursday or Friday, the meeting is scheduled for Wednesday. Those who are interested in joining the group should contact Bob Stewart at [bstewart@yardarmtech.com](mailto:bstewart@yardarmtech.com) to get the current Zoom login information.

**BBS Women's Group:** Wednesday, November 20 at 7:00 pm Central Time

This group is an informal gathering for women who have BBS, ages 30 and up. It provides a place for sharing personal experiences, resources, and adaptive strategies, as well as for establishing interpersonal connections. The group normally meets every third Wednesday at 7:00 pm Central Time on the Marshfield Zoom site. For new members, before joining the group, contact Ellyn at [ellynhunter@charter.net](mailto:ellynhunter@charter.net)

**BBS Weight Loss Group:** Saturdays, November 2, 9, 16, 23 and 30 at 12:00 noon Eastern Time.

Facilitated by the members on a rotating basis, this is a weekly group for individuals who are using Weight Watchers, My Fitness Pal, or another weight-loss program to lose weight and would like to get together for more support, especially since so many of us in the BBS community are struggling with weight. The meetings are a great place to share ideas, recipes, and experiences, and to support each other throughout our weight management journey. The group meets using the Marshfield Clinic Zoom site.

**BBS Adult Discussion Group:** Sunday, November 10 at 7:00 pm Central Time.

This is a group for adults, both men and women, ages 30 and older. The purpose of the group is to provide adults with BBS with a collaborative forum to share their experiences, ideas and resources with one another, as well as to create interpersonal connections. The atmosphere is informal, and topics vary. The group meets by the Marshfield Clinic Zoom site every third Sunday at 7:00 pm Central Time, except when holidays conflict. For new members, before joining the group, contact Ellyn at [ellynhunter@charter.net](mailto:ellynhunter@charter.net)
